This is a list of books and publications related to the hippie subculture. It includes books written at the time about the counterculture of the 1960s and early 1970s, books that influenced the culture, and books published after its heyday that document or analyze the culture and period. The list includes both nonfiction and fictional works, with the fictional works including novels about the ...

Welcome to the massive, anguished, exalted undertaking that is the ALL TIME 100 books list. The parameters: English language novels published anywhere in the world since 1923, the year that TIME Magazine began, which, before you ask, means that Ulysses (1922) doesn’t make the cut. In May, Time.com posted a similar list, of 100 movies picked by our film critics, Richard Corliss and Richard ...

This page provides lists of best-selling individual books and book series to date and in any language. "Best selling" refers to the estimated number of copies sold of each book, rather than the number of books printed or currently owned. Comics and textbooks are not included in this list. The books are listed according to the highest sales estimate as reported in reliable, independent sources.
