1: The credit hours listed reflect what is needed to complete each CAP component. However, they should not be viewed as a cumulative addition to a student's degree requirements because many CAP courses are designed to satisfy more than one CAP component (e.g., Crossing Boundaries and Advanced Studies) and may also satisfy requirements in the student's major.

The Down Survey was a cadastral survey of Ireland, carried out by English scientist, William Petty, in 1655 and 1656.. The survey was apparently called the "Down Survey" by Petty because the results were set down in maps. The term "admeasurement down" was used and it is referred to by that name in Petty's will.

Down Survey - Wikipedia

The following figures are from a 2018 report of the Organisation internationale de la Francophonie (OIF). No distinctions are made between native speakers of French and those who learnt it as a foreign language, between different levels of mastery or how often the language is used in daily life. For African countries where French is the main language of education, the number of French speakers ...

A Tale of Two Cities Summary - eNotes.com

The French Revolution (1789-1799) was a period of ideological, political and social upheaval in the political history of France and Europe as a whole, during which the French polity, previously an absolute monarchy with feudal privileges for the aristocracy and Catholic clergy, underwent radical change to forms based on Enlightenment principles of republicanism, citizenship, and rights.
