Principles and Standards for School Mathematics (PSSM) are guidelines produced by the National Council of Teachers of Mathematics (NCTM) in 2000, setting forth recommendations for mathematics educators. They form a national vision for preschool through twelfth grade mathematics education in the US and Canada. It is the primary model for standards-based mathematics.

### **Principles and Standards for School Mathematics - Wikipedia**

As we have mentioned before, it is practically impossible to cope with both part-time job and studying duties. In this tough situation, we, as retired students, took a responsibility to help a new generation and provide young people with quality college and high school homework help that they really deserve.
