

## *Breaking Point Crashers*

**Breaking Point Crashers**

breaking point Three NTSB experts - people brought in to help investigate whenever a plane goes down - find themselves victims and witnesses rather than investigators when the plane they are on crashes.

**Breaking Point | Dana Haynes — DANA HAYNES**

Breaking Point (Crashers) A twin turboprop plane lifts off from Reagan National with an unusually light passenger load and crashes on the approach to a landing in Helena, Montana. Three National Transportation Safety Board, NTSB, personnel, the Crashers, on their way to another crash investigation are aboard; two survive, one dies.

Breaking Point is a well written and plotted thriller that actually thrills while maintaining plausibility and logic (at least up to a point). Breaking Point brings back smart and brave characters from his debut, Crashers (although reading the first is not necessary to enjoyment of this one).

**Breaking Point (Crashers #2) by Dana Haynes - Goodreads**

Breaking Point, the sequel to Dana Haynes' Crashers, is a graphic and violent adrenaline rush.

**Breaking Point by Dana Haynes - Interview | BookPage**

In a twisty, compelling thriller that goes from the streets of Spain, to the mountains of the western United States, to the heart of the dark, hidden corridors of power where there are dangerous secrets that few suspect and fewer know, the "Crashers" are literally dropped in the middle of a case that neither starts, nor ends, with a plane crash with some of their own on-board.

Breaking Point. By: ... Same wonderful cast of characters from CRASHERS... Can't get enough of their quirky, yet realistic contribution. In fact, as wild and crazy as their sometimes violent exploits are, it never loses it's realism. Outstanding plot and character development. If realistic scenes of blood shed don't bother you, this is a fun ...
