Benefits of joining HFESA. Become a HFESA member to stay up-to-date with the latest developments in HF & E, access essential resources and information and advance your career with the establishment of professional networks.

Our Vision & Mission - Human Factors and Ergonomics ...

Twenty years ago on 1 January 1993, the UK implemented six wide ranging health & safety regulations that included provisions for ergonomics. Dubbed the 'Six Pack', the 1993 regulations made clearer duties in relation to some activities (e.g. computer work, manual handling) and gave more detail and guidance to help employers protect the health & safety of their staff.
