Shadows is a 1958 American independent drama film directed by John Cassavetes about race relations during the Beat Generation years in New York City. The film stars Ben Carruthers, Lelia Goldoni and Hugh Hurd as three African-American siblings, though only one of them is dark-skinned. The film was initially shot in 1957 and shown in 1958, but a poor reception prompted Cassavetes to rework it in ...

Shadow volume is a technique used in 3D computer graphics to add shadows to a rendered scene. They were first proposed by Frank Crow in 1977 as the geometry describing the 3D shape of the region occluded from a light source. A shadow volume divides the virtual world in two: areas that are in shadow and areas that are not. The stencil buffer implementation of shadow volumes is generally ...
