Falling into You is the fourth English-language studio album by Canadian singer Celine Dion, released on 11 March 1996 by Columbia/Epic Records. The follow-up to her commercially successful album *The Colour of My Love* (1993) and French-language *D'eux* (1995), *Falling into You* showed a further progression of Dion's music. Throughout the project, she collaborated with Jim Steinman, who wrote and ...

Recent falls in oil prices alter the financial dynamics of oil extraction. Certain sources of oil entail lower costs than others. For example, conventional pumped oil extraction in high pressure onshore wells costs relatively little to set up and operate, whereas remote oil fields beneath icy seas require specialized equipment and override wages to locate and extract.
