

Fishing Line Weight Guide

Fishing Line Weight Guide

Every angler has a “one that got away” story from their fishing experiences. Often the one that got away was due in part to having your fishing line break. Good fishing line choices comprise a number of factors but one that is near the top is choosing the right pound test. Understanding Fishing Line Strength Fishing li

How to Choose the Right Fishing Line Weight - Vicious

New for 2018-2020 Fishing Seasons (Summary of major changes) Extends the archery season to year-round. The beginning of the darkhouse spearfishing season is changed from December 1 to whenever ice-up occurs.

Fishing Regulations Guide | North Dakota Game and Fish

Braided line was one of the earliest types of fishing line, and in its modern incarnations it is still very popular in some situations because of its high knot strength, lack of stretch, and great overall power in relation to its diameter. Braids were originally made from natural fibers such as cotton and linen, but natural fiber braids (with the very rare exception of braided silk) have long ...
