Study Guide Basics. Some teachers give out study guides, but if your teacher hasn't it's a good idea to create your own. Whether it's a first test or a final exam coming up, creating a study guide helps you figure out what you already know and what you still need to study, focusing your efforts on the material you still haven't learned. At the same time, making a study guide is a form of ...

A good study guide should be a combination of both the lecture notes and notes from the readings. Go through chapter notes and look for similarities in your lecture notes. If certain topics, names, or concepts appear more than once, underline or highlight them, and make sure they are prominent in your study guide.
