Metro Exodus is not a gigantic, seamless open-world game. It's a focused, segmented first-person shooter that gets increasingly linear as you progress.

### **Metro Exodus review: "Not only the best Metro yet, it's ...**

Despite interest from fans, Disney hasn't given National Treasure 3 the green light yet - but why? It's been 15 years since the first National Treasure movie released in theaters and now over a decade since the sequel, National Treasure: Book of Secrets, released, but development on another sequel is no closer to production than it was back in the late 2000s.
