Of all the countries in the world, only three backwaters still use the archaic Imperial system of weights and measures: I say we let them get some decent governments first, then worry about getting them on the metric system. Remember, folks: this was posted back in 2008, when George W. Bush was ...

I am looking for a video. It is from a film and involves two teens (1 Boy, 1 Girl) that seemed to have passed out at a party, when a group of guys come into the room. The guys rape the girl and leave. The boy that was in the room originally lays himself next to the girl to cover up what has happened, so that when the girl wakes up she thinks shes had sex with this guy.

In a team sport, it can often seem obscene - even absurd - to reward a single player ahead of the collective. But, equally, every match is no more than an accumulation of individual moments. Games are secured by unlikely saves, defined by timely tackles, unlocked with visionary passes and settled by important strikes. Some players undoubtedly perform these specific tasks with greater ...

Today I found out the origin of the word "soccer". For all you out there who love to complain when Americans, and certain others, call "Football", "Soccer", you should know that it was the British that invented the word and it was also one of the first names of what we now primarily know of as "Football".
