### **Population Opposing Viewpoints**

This part of the globalissues.org web site looks into some of the causes of hunger and the relationship with poverty. World hunger causes are found to be in the causes of poverty. We produce enough food for everyone, but political economics affect how it is distributed and if people can afford it or not.

The importance and prominence of organizational career planning and management (CPM) as part of HRM has been widely recognized (Hall, 1986, Schein, 1978, Van Maanen & Schein, 1977). Alongside the emergence of many start-up businesses and small new ventures there is a multitude of mergers and acquisitions, creating very large organizations.

19th century German philosopher Karl Marx, the founder and primary theorist of Marxism, had an antithetical and complex attitude to religion, viewing it primarily as "the soul of soulless conditions", the "opium of the people" that had been useful to the ruling classes since it gave the working classes false hope for millennia. At the same time, Marx saw religion as a form of protest by the ...
