We are the experts in agency client relationships. We work with the world's leading agencies, including every major agency group, to help them monitor and strengthen their

### **The Client Relationship Consultancy**

The nurse-client relationship is an interaction aimed to enhance the well-being of a "client," which may be an individual, a family, a group, or a community. Peplau's theory is of high relevance to the nurse-client relationship, with one of its major aspects being that both the nurse and the client become more knowledgeable and mature over the course of their relationship.
