19. Keep Your Drinks Low. While having a beverage with somebody, don't hold it before your body. Rather, hold it close to your leg. Keeping anything before your body expands the mental separation

among you and the individual in contact.

Straight sex stories relate to aesthetic, sexual and romantic attraction exclusively between two individuals of differing genders. All normal stories between loving couples go in here - please find the relevant niche category should your story involve something a bit out of the ordinary.

Straight Sex Stories

In the sex worker industry, the term may also be applied to straight and bisexual people of either gender (including "male escorts") who have sexual contact or scenes with a client or another sex worker of the same gender. Although sexual contact is often involved, sex scenes or solo scenes (like masturbating to climax) or even a BDSM scene for the client's stimulation can take place.
