Exploring Solutions to Workplace Bullying - AABRI

Bullying has become a very serious issue in our schools. It is not a problem with simple solutions. There are a very complex set of dynamics at work in every bullying situation that have to be addressed from several perspectives and with decisive consistent actions.

Excerpt: Is your child is being bullied? You are not alone! Kidpower hears countless stories from upset parents whose children from toddlers to teenagers have been victimized by harassment and bullying at school. School is a big part of our kids' lives. As parents, we are ultimately the ones who make the decisions about how our children get an education.

Bullying in Schools | Kidpower International

Resilience is a term that has gained traction in recent years, becoming the "buzzword" if you will. It's easy to see why. its a word that resonates with parents, carers, educators- anyone who is involved in the lives of children and teenagers, as we all have similar goals - namely, to develop strong, capable, well-balanced and above all, kind, decent, and resilient young people.

Susan McLean - Cyber Safety Solutions- Cyber Bullying ...

Bullying and harassment means any unwanted behaviour that makes someone feel intimidated, degraded, humiliated or offended. It is not necessarily always obvious or apparent to others, and may happen in the workplace without an employer's awareness.
