Starbucks Customer Service Training Manual

Ever wondered how the famous Starbucks make their coffee and what coffeemaker do they use to make their coffee that is so widely popular in the whole world?

What Coffee Maker Does Starbucks Use? - Best Kitchen Life

I just experienced this problem at a store in Ohio - ordered a frappe and wanted a refill of tea but the barista refused to give it to me. I showed her on the Starbucks website the refill policy and she said 'I understand and have read that but Brandon (a manager I'm guessing?) printed out a policy that we all had to sign when we started working here to not give refills on frappes.'

The word "service" certainly gets some exercise. ITIL v3 says "A service is a means of delivering value to customers by facilitating outcomes customers want to achieve, but without the ownership of specific costs and risks." This impenetrable bit of consultant-babble does not help those who are trying to grasp the fundamental concept.
