Environmental Scanning By James L. Morrison [Note: This text was originally printed as a chapter in A Primer for new Institutional Researchers and is reprinted here with permission from the Association for Institutional Research. The bibliographical citation is: Morrison, J. L. (1992). Environmental scanning.

**Environmental Scanning - James**

The purpose of accounting is to provide the information that is needed for sound economic decision making. The main purpose of financial accounting is to prepare financial reports that provide information about a firm's performance to external parties such as investors, creditors, and tax authorities.
