Surrealism Politics And Culture Studies

Surrealism is a cultural movement that began in the early 1920s, and is best known for its visual artworks and writings. Artists painted unnerving, illogical scenes with photographic precision, created strange creatures from everyday objects, and developed painting techniques that allowed the unconscious to express itself. Its aim was to "resolve the previously contradictory conditions of dream ...

Humanities are academic disciplines that study aspects of human society and culture. In the Renaissance, the term contrasted with divinity and referred to what is now called classics, the main area of secular study in universities at the time. Today, the humanities are more frequently contrasted with natural, and sometimes social, sciences as well as professional training.

Brett Stevens unleashed Nihilism: A Philosophy Based In Nothingness And Eternity, a collection of writings about nihilism, in 2016.. This anti-enlightenment treatment of philosophy rejects the idea of universalism as an artifact of the ego, and points toward an extreme, human-feelings-denying realism which sees adaptation in the Darwinian sense as its ultimate goal.
