The Critic As Artist Green

A critic is a professional who communicates an assessment and an opinion of various forms of creative works such as art, literature, music, cinema, theatre, fashion, architecture, and food. Critics may also take as their subject social or government policy. Critical judgments, whether derived from critical thinking or not, weigh up a range of factors, including an assessment of the extent to ...

Known chiefly for her modeling before La orca, the West German-born Niehaus had appeared topless, as was the continental custom, on the December 1974 cover of Italian nudie rag Playmen; about the time of Oedipus orca's release, she'd likewise grace the Italian edition of Playboy (down to replicating the single-breast-unveiled pose). La orca, then, was made for the same two reasons that ...

The Green Fairy is the English translation of La Fee Verte, the affectionate French nickname given to the celebrated absinthe drink in the nineteenth century. The nickname stuck, and over a century later, "absinthe" and "Green Fairy" continue to be used interchangeably by devotees of the potent green alcohol. Mind you, absinthe earned other nicknames, too: poets and artists were inspired by the ...
