Women's Rights | Human Rights Watch

Women's rights in Iran have changed according to the form of government ruling the state. The idea and concepts, in regards to women's rights, has constantly evolved on a day-to-day basis. These shifts did not only come from standard views, such as history, or legal and cultural laws, but occurred through daily conversation and individual choices made.

Women's rights in Iran - Wikipedia

Women's rights around the world is an important indicator to understand global well-being. A major global women's rights treaty was ratified by the majority of the world's nations a few decades ago.

Women's Rights — Global Issues

Women's rights in Afghanistan have been a subject of international concern since the 1990s. Through different temporary rulers such as the mujahideen and the Taliban in the 1990s, women had very little to no freedom, specifically in terms of civil liberties. Ever since the Taliban regime was removed in late 2001, women's rights have gradually improved under the Islamic Republic of Afghanistan.
