We're so accustomed to seeing Chris Pratt as a bona-fide action star, it's almost tough to remember he first came to fame as a chubby goofball. Before he was a motorcycle-riding velociraptor trainer in Jurassic World, and before he was a universe-saving superhero in Guardians of the Galaxy—both epic summer blockbusters, by the way—Pratt was Andy Dwyer, the marshmallowy man-boy who fell ...

The pistols are the secondary weapons in the game along with the machine pistols. Unlike machine pistols, they can not be used in place of a primary weapon - the closest one can come to this is removing the actual primary weapon from your loadout. The Beretta 92FS is the most common pistol in the ...
