### **Three Sides To Every Story**

III Sides To Every Story (pronounced 3 Sides To Every Story) is the third album by the Boston funk-metal band Extreme, released in 1992. It was the follow-up to the very successful Pornograffiti album. It was the last album with the band's original line-up: Gary Cherone, Nuno Bettencourt, Pat Badger and Paul Geary; Geary later left, and was replaced by Mike Mangini

This means not taking sides- understand where each person is coming from, but try not to side with one person over the other. Like today's quotes says, there is always 3 sides to a story and it's not your job to play detective to figure out the truth. Your job is to be a friend to BOTH.

### **“There is always 3 sides to every story. Your side, their ...**

There are three sides to every story. His, hers, and the truth. At one point in time, my husband and I were separated, and I met with my attorney. He made the statement, “People say, there are two sides to every story.” I thought I knew where he was going with this so I was shaking my head in agreement.
