### **Treatment Of Advanced Heart Disease**

Read about heart attack (myocardial infarction) symptoms and signs in men and women. Learn about heart attack treatment, causes, diagnosis, and prevention. Discover the difference between a massive heart attack, mild heart attack, and a silent heart attack.

### **Heart Attack Symptoms, Signs, Causes, Risk & Treatment**

A heart attack (also known as a myocardial infarction or MI) is the death of heart muscle from the sudden blockage by a blood clot in a coronary artery that supplies blood to the heart. Blockage of a coronary artery deprives the heart muscle of blood and oxygen, causing injury to the heart muscle. Injury to the heart muscle causes chest pain and pressure.
