### **Triage X Vol 4**

Uncanny X-Men, originally published as The X-Men, is an American comic book series published by Marvel Comics since 1963, and is the longest-running series in the X-Men comics franchise. It features a team of superheroes called the X-Men, a group of mutants with superhuman abilities led and taught by Professor X.. The title was created by Stan Lee and Jack Kirby, met with a lukewarm reception ...

### **Uncanny X-Men - Wikipedia**

The X-Men are a team of mutant superheroes, published in comic books by Marvel Comics. Over the decades, the X-Men have featured a rotating line up composed of a large number of characters. Notation: Characters in bold are members of the team as of the present time.; A slash (/) between names indicates codenames of one character in chronological order.

x A gap exists in the literature regarding the best practice for ED triage assessment in children below age 2 who have sustained suspected minor head injuries. Head injuries are a frequent reason for children's ED visits, 1,2 and children below age 2 account for approximately 25% of these visits. 3 Although most children who present to emergency departments for evaluation of head injuries ...

x We read with great interest Dr Traill's letter 1 regarding our report on the outcomes of readmission after coronary artery bypass grafting (CABG) in patients with new-onset depression. 2 We appreciate the opportunity to further clarify the findings of our original study. Briefly, this was a study using the nationwide readmissions database (NRD), which estimated close to 50% of all ...

Introducción. El término triage o triaje es un neologismo que proviene de la palabra francesa trier que se define como escoger, separar o clasificar. Desde que este término comenzó a utilizarse en las batallas napoleónicas persiste como concepto de clasificación o priorización de la atención urgente de pacientes.
