### **Vaginal Dryness Solution**

Vaginal Moisturizing Gel for Lubrication. Are you suffering from painful due to vaginal dryness? Do you face the frustrating problems such as decreased sex drive or inability to get aroused during lovemaking activity?

### **Vaginal Dryness Cream, Natural Lubricants, Vaginal ...**

Use a vaginal moisturizer on a daily basis. If you looking for a daily solution to vaginal dryness, you may want to try a vaginal moisturizer. Though lubricants can help to reduce irritating friction, moisturizers will be absorbed by your vaginal tissues and mimic the natural secretions in your vagina more effectively.

### **3 Ways to Treat Vaginal Dryness During Menopause - wikiHow**

As many as 80% of women entering menopause are affected by vaginal dryness and about 50% of women post-menopause continue to experience vaginal dryness. The dryness occurs as a result of hormonal changes that are a natural part of menopause and can cause discomfort and pain, particularly during sexual intercourse.
